Erode, Tamil Nadu 638003

Skills

- Java and Python
- Data structures and algorithms
- Software development lifecycle
- AWS fundamentals
- UI design principles
- Data visualization tools
- Git and CI/CD

Education

Expected in 09/2027

Bachelor Of Technology: Artificial Intelligence and Data Science

Nandha Engineering College

Erode, Tamil Nadu

- Relevant Coursework: Machine Learning, Computer Vision, Data Structures, Algorithms
- GPA: 8.0

High School:

Nandhi Matric. Hr. Sec. School

Erode, Tamil Nadu

GPA: 71%

Certifications

- AWS Cloud Resume Challenge – Internship — National AI Systems LLC, 2026

LOKESHWARAN B.

Summary

AI and data science student with full-stack development expertise. Proficient in Java, Python, and AWS, specializing in web applications, backend systems, REST APIs, and AI/ML solutions. Demonstrated ability to apply data structures and algorithms in practical projects, focusing on scalable technology solutions.

Experience

National AI Systems LLC - Cloud & AI Intern

11/2025 - 05/2026

- Deployed a static portfolio website using Amazon S3 and CloudFront for global content delivery.
- Configured HTTPS and Route 53, and implemented CI/CD pipelines.
- Built a serverless visitor counter using AWS Lambda and Amazon DynamoDB. Implemented API Gateway endpoints with CORS configuration.
- Established CI/CD automation using GitHub Actions for frontend and backend deployment.

Projects

No-Code Data Analytics & Visualization

- Performed data analysis and visualization using Python to identify trends and patterns.

Civic Issue Reporting

- Developed a civic issue reporting solution for submitting and tracking community issues.
- Designed the application to improve communication between citizens and local authorities.

Interests

- Artificial Intelligence
- Machine Learning
- Cloud Computing
- Full Stack

Activities And Workshops

- Tableau – Data Visualization
- Tech Fest Event – Tech Trials Runner-Up, PSG Tech
- Python Workshop -IIT Madras
- Active participant on coding platforms, including LeetCode

Leadership And Activities

Organized UI/UX workshop at Nandha Engineering College
